

COMING NOVEMBER 13!

# HOW TO LIVE FOREVER

**“Beautifully written and enormously inspiring, *How to Live Forever* profoundly changes the conversation about long life and rewrites the generational compact. Read it and be changed.”**

— Laura Carstensen, Professor of Psychology, Stanford University,  
and author of *A Long Bright Future*

**“*How to Live Forever* is both an intergenerational love letter and a practical manual for change. The era of age apartheid is ending, and Marc Freedman’s beacon lights the way ahead.”**

— Jonathan Rauch, author of *The Happiness Curve*  
and Contributing Editor at the Atlantic

**“To be happy, what do we need? Strong bonds with others and a sense of meaning. In *How to Live Forever*, Marc Freedman brilliantly explores how we can foster happier, healthier, more productive lives by connecting the older and younger generations.”**

— Gretchen Rubin, author of the New York Times bestseller  
*The Happiness Project*

**How can a society with more older people than younger ones thrive?**

Encore.org President and CEO Marc Freedman tells the story of his 30-year quest to answer that question in his new book, *How to Live Forever*. Spoiler alert: Uniting the generations.

It’s what young people want and need, and it’s the surest route to happiness and well-being in later life.
